### About IDI, Inc.

IDI, Inc. is an information solutions provider focused on the multi-billion dollar data fusion market. IDI delivers otherwise unattainable insight into the ever-expanding universe of consumer- and business-centric data. Through proprietary linking technology, advanced systems architecture, and a massive data repository, IDI will address the rapidly growing need for actionable intelligence to support the entirety of the risk management industry, for purposes including due diligence, risk assessment, fraud detection and prevention, authentication and verification, and more. Additionally, IDI's cross-functional core systems and processes are designed to deliver products and solutions to the marketing industry and to enable the public and private sectors to layer our solutions over their unique data sets, providing otherwise unattainable insight.
