Tiger Media Reports Preliminary Unaudited Financial Results for Fiscal Year 2012

Shanghai, China, January 16, 2013 — Tiger Media, Inc. (“Tiger Media”) (NYSE MKT: IDI, IDI.WS), formerly known as SearchMedia Holdings Limited, one of China’s leading multi-platform media companies, today reported preliminary unaudited financial results for the full year 2012 and quarter ending December 31, 2012.

Peter W. H. Tan, Chief Executive Officer of Tiger Media, remarked, “We have been able to realize significant progress in the evolution of our business during 2012, transitioning from our legacy operations to strategic transactions with high profile partners. These concessions possess higher margins, longer terms and greater strategic value. In addition, we have several new strategic concessions and transactions in progress that will create additional long-term revenue opportunities, strengthen and diversify our offerings in China’s media sector, deepen our national presence and further enhance shareholder value. We intend to keep our investors up to date and make additional announcements as these endeavors evolve.”

Transaction and Business Development Efforts

In 2012, Tiger Media completed numerous important corporate transactions including the following:

- The establishment of a new Luxury LCD Mall Joint Venture to build a new network of large format LCD screens at prominent entry points of high end shopping centers located at major central business district locations in Shanghai.
- Reached an agreement with Home Inns & Hotel Management Inc. to create a nationwide advertising network at Home Inns’ hotels throughout China.
- Completed a settlement with predecessor shareholders in which 4.5 million shares and 1.6 million warrants were cancelled.
- Obtained direct equity control of its operations by terminating its Variable Interest Equity structure.
- Divested its SearchMedia International Limited (SMIL) subsidiary to Partner Venture Holdings Limited and eliminated outstanding payables, earnout liabilities and tax provisions in the aggregate amount of \$38.3 million.
- Completed a new private placement of 7.0 million shares raising \$7.0 million from investors including Frost Gamma Investment Trust, an entity affiliated with Dr. Phillip Frost, our largest shareholder, TGC Partners Limited, an entity affiliated with our Chief Executive Officer, Mr. Peter W. H. Tan, TGC Media Investments II Corp., Nan Fung Group, one of our largest investors and Titan Multi-Asset Fund SPC, a fund controlled by Yuanta Asset Management. Proceeds from the private placement further increased shareholder equity and enabled the aforementioned concessions.
- Raised a total of \$2.2 million from proceeds received as a result of the exercise of 1.8 million warrants

Mr. Tan added, “While it was a difficult decision to dispose of the remainder of our operating subsidiaries in December 2012, we continue to feel that in order to expand shareholder value in the longer term and allow the Company to focus on and pursue additional accretive concessions, it was in the best interests of the Company to divest SMIL. In 2013, the Company will aggressively continue to deploy the Luxury LCD

Mall Joint Venture and Home Inns concessions. We also expect new concessions within the mall and transit sector. In addition, we continue to review acquisition opportunities in 2013 and we are pleased with the current breadth of opportunities. Importantly, we remain confident in our ability to further Tiger Media's growth.

Preliminary Unaudited Financial Results for the Twelve Months ended December 31, 2012 and Three Months ended December 31, 2012.

Today, the Company is providing preliminary unaudited financial results for the full year 2012 and Three Months Ended December 31, 2012, which reflect the impact of the recently announced divestiture of Search Media International Holdings and its subsidiaries.

For the full year 2012, the Company anticipates its revenue will be classified as discontinued operations, after giving effect to the aforementioned divestiture of SMIL in the 4th quarter of 2012 including the divestiture of related party revenue from these subsidiaries. The results from these are presented as income from discontinued operations and included in the net profit of the Company. As a result, the Company anticipates net income of \$9 million for 2012 mainly due to the gain on divestiture of various subsidiaries within 2012.

For our cash flow statement as of the Year Ended December 31, 2012, net cash used in operating activities totaled approximately \$6 million, with net cash used in investing activities of \$3 million, offset by \$11 million in net cash provided in financing activities.

As explained above, the Company expects its revenue and associated costs will be classified as discontinued operations, and income from these subsidiaries in the Three Months Ended December 31, 2012 will be included in the net profit of the Company. The Company anticipates net income of \$3 million in the Three Months Ended December 31, 2012 mainly due to the gain on divestiture of various subsidiaries within the Quarter.

For our cash flow statement for the Three Months Ended December 31, 2012, net cash used in operating activities totaled approximately \$1 million, with net cash used in investing activities of \$2 million, offset by \$3 million in net cash provided in financing activities.

As of December 31, 2012, the Company had approximately \$7 million in cash and cash equivalents, \$6 million of working capital and \$8 million of total assets. Stockholder equity was approximately \$6.7 million and there were approximately 30.1 million common shares outstanding. We expect to complete our annual 20-F filing prior to the April 30, 2013 deadline.

As previously disclosed, the Company had received notice from NYSE MKT LLC ("NYSE MKT" or the "Exchange") that it had extended the period until January 15, 2013 until which the Company would have to meet the Exchange's financial impairment and minimum stockholders' equity standards. The Exchange is currently reviewing whether we meet the applicable compliance standards.
